Subject:- According Administrative Approval to the Minor Irrigation Projects under Accelerated Irrigation Benefit Programme–Regarding.

Read:- Letter No. CEMI(S)/ TA-7/ AE-17/AIBP/ 2012/ 3240/, dt.17.09.2012, from the Chief Engineer, Minor Irrigation South Zone, Bangalore.

PREAMBLE:

As per the modified guidelines issued by the Government of India, Minor Irrigation schemes with potential more than 50 hectares which serve tribal areas and drought prone areas in the non-special category states are eligible for inclusion under Accelerated Irrigation Benefit Programme (AIBP) effective from December 2006. Karnataka state is classified as one of the non-special category states. 81 taluks in the state are approved under Drought prone Area Programme (DPAP). Hence Minor Irrigation schemes with potential more than 50 hectares in these 81 taluks are eligible for inclusion under Accelerated Irrigation Benefit Programme (AIBP). Central Assistance will be in the form of central grant that will be 90% of the balance estimated cost of the project worked after excluding the previous expenditure and considering the cost of the schemes upto Rs 1.5 lakh per Ha. The balance cost of the project will have to be borne by the State as state's share.

Government of Karnataka has identified new Minor Irrigation Schemes in these taluks for seeking Government of India approval under AIBP. Finance Department, Government of Karnataka has also approved the proposal of the Water Resources Department (Minor Irrigation) for according approval to such schemes. The Chief Engineer, Minor Irrigation South Zone in the letter read above has requested for according administrative approval to the estimates of the works proposed under AIBP. Accordingly the following schemes in DPAP taluks are being considered for according administrative approval.

WATER RESOURCES SECRETARIAT

Subject:- According Administrative Approval to the Minor Irrigation Projects under Accelerated Irrigation Benefit Programme–Regarding.

Read:- Letter No. CEMI(S)/ TA-7/ AE-17/AIBP/ 2012/ 3240/, dt.17.09.2012, from the Chief Engineer, Minor Irrigation South Zone, Bangalore.

PREAMBLE:

As per the modified guidelines issued by the Government of India, Minor Irrigation schemes with potential more than 50 hectares which serve tribal areas and drought prone areas in the non-special category states are eligible for inclusion under Accelerated Irrigation Benefit Programme (AIBP) effective from December 2006. Karnataka state is classified as one of the non-special category states. 81 taluks in the state are approved under Drought prone Area Programme (DPAP). Hence Minor Irrigation schemes with potential more than 50 hectares in these 81 taluks are eligible for inclusion under Accelerated Irrigation Benefit Programme (AIBP). Central Assistance will be in the form of central grant that will be 90% of the balance estimated cost of the project worked after excluding the previous expenditure and considering the cost of the schemes upto Rs 1.5 lakh per Ha. The balance cost of the project will have to be borne by the State as state's share.

Government of Karnataka has identified new Minor Irrigation Schemes in these taluks for seeking Government of India approval under AIBP. Finance Department, Government of Karnataka has also approved the proposal of the Water Resources Department (Minor Irrigation) for according approval to such schemes. The Chief Engineer, Minor Irrigation South Zone in the letter read above has requested for according administrative approval to the estimates of the works proposed under AIBP. Accordingly the following schemes in DPAP taluks are being considered for according administrative approval.
